

SUDDEN DEATH OF MRS. J. C. EVANS

She Passes Away After a Short
Illness in Great
Pain.

Mrs. J. C. Evans, wife of the capitalist J. C. Evans, who has been interested in real estate and other ventures here for the past four years, died very suddenly at her home, the old McCully homestead, yesterday afternoon. Mrs. Evans has suffered severely from kidney disease upon several occasions in the past, and the attack which ended fatally was first severe on Saturday last. At 1 o'clock yesterday afternoon uraemic poisoning developed, and Mrs. Evans passed into convulsions. Her physicians, Messrs. Herbert and Humphreys, were in attendance, but she did not rally, and died in a convulsion at ten minutes past 5 o'clock.

Mrs. Evans was prominent in church and society work, from her coming to this city. Her former home had been at New Whetcom, Washington. She was a native of the Western Reserve of Ohio, and was 50 years of age. Mrs. Evans came with a number of letters and she had many friends here. She was soon distinguished for her admirable qualities, her brilliance in conversation and argument, and her devotion to the causes which she espoused. Mrs. Evans was president of the Woman's Guild of the Second Congregation of St. Andrew's cathedral, and treasurer of Leahi Chapter, No. 2, Order of the Eastern Star, and in both capacities made and held warm friends.

The funeral will take place this afternoon at 3 o'clock from the residence, No. 1650 King street, the McCully homestead, Pawa.

LOCAL BREVITIES.

The Rapid Transit Company is considering the use of oil for fuel.

W. H. Cornwell is reported to have purchased the Young Hee ranch on Maui.

Princess Kawanakoa will hold a Hawaiian reception day on Friday next, from 2 to 5 p. m.

Montano will have his Easter opening today. His window display is especially novel and picturesque.

The Hawaiian Fiber Company is considering plans for the erection of a mill to manufacture the sisal into fiber.

The Tramways tracks on Nuuanu street have been connected and the switch laid, so that cars now make the trip clean through.

Articles of incorporation have been filed by the Laupahoehoe Racing Association, with a capital of \$7,500. The corporation is formed to conduct a racing track at North Hilo.

The board of directors of the Rapid Transit and Land Company have authorized a contract with the Union Oil Company of San Francisco for fuel oil for use at the power house of the company.

Mrs. Russell, wife of Senator Dr. Nicholas Russell, of Oahu, is among the recent arrivals from Hawaii. Mrs. Russell will be the guest of Mr. and Mrs. Fred Whitney, King street, during her stay in Honolulu.

The grand jury will probably make its final report to Judge Gear today or tomorrow. The jury have been investigating the saloons and livery at night, without the aid of Balliff Ney, and that gentleman feels very much aggrieved at the slight.

Engineer Gere, acting assistant superintendent of Public Works, departed yesterday for the island of Hawaii, to begin an investigation of the repairs needed by reason of the damage done by the recent heavy rains. The most imperative improvements will be made at once.

A rumor was about the streets at midnight that four hacks had been stopped by a white man at different points on Nuuanu street, and attempts made to hold up the drivers. Inquiry at the police station showed that no reports of such attempts had been received there.

The gospel tent of the Central Union Church will be raised again today on the platform off Fort above Hotel street, and services resumed tomorrow evening. Rev. William Morris Kincaid will be in charge of the meeting. Services will also be held on Friday and Saturday evenings. The Dillingham quartet may be present at tomorrow evening's meeting.

T. F. Sedgwick, assistant director of the Agricultural Station, departed yesterday for Maui, where he will remain for two weeks to conduct a series of potato experiments. He took along the forty-five varieties of seed potatoes, and all will be planted at Kula, where their growth will be constantly observed. A study of potato blight will be particularly made.

Taroena

Is a prepared food made entirely from taro by a unique process which preserves all the valuable nourishing qualities of the root. It is highly concentrated, thoroughly cooked and ready for immediate use. Unlike artificial food compounds, Taroena will keep in any climate for years after being opened. It is prepared under the most hygienic conditions and is completely sterilized. Taroena is essentially a pure, wholesome, natural food and is supplying a long felt want.

Taroena

Is rich in the phosphates. It is a wonderful nerve tonic and nerve fibre builder. It is the best of brain foods. Business men who have overworked, and suffer from loss of sleep and appetite, nervousness, headache and a general prostration of the nervous system, will promptly improve on a diet of Taroena. Physicians who have prescribed Taroena in cases of this description, have been both delighted and astonished with the rapid recovery of their patients.

Taroena

Is absolutely unlike all other invalid foods in this important essential; it contains, placed there by nature, a digestive ferment peculiar to itself. In no other way, than by the presence of a natural ferment, can the wonderful digestibility of Taroena be explained.
